Bill 3

It's been a
lot of fun this
year. From that night
when we had that shaving
cream fight to the night I went out
it and Nutch sat me. Have fun in
that ——— factory. What ever you do
don't come back sounding like chicken.
When you are driving this summer remember
the life you save my be your driving tester.

Herb

Hi Billy,
How are you?
I'm doing well. I had
enough goats &
I would have lost them
but I'm a chicken &
with you I'll have to come
speaking of chickens
and help you
gluck some.
Have a good summer

dear Meg,

It's been a wonderful year. If it could be outlined, there you'd be! Roman numeral I. Truly though, this year you me began with graduation last year. (If that could make sense.) Here's to the race sloozy - both the cave-dwellers and the Mexicans - also to the waiters and though you may object, the soda fountain workers too! Thanks for being the terrific ~~you~~ you - and for everything else too - have fun next year. (I know you will.) See you Thanksgiving and Graduation, 1964 (!).

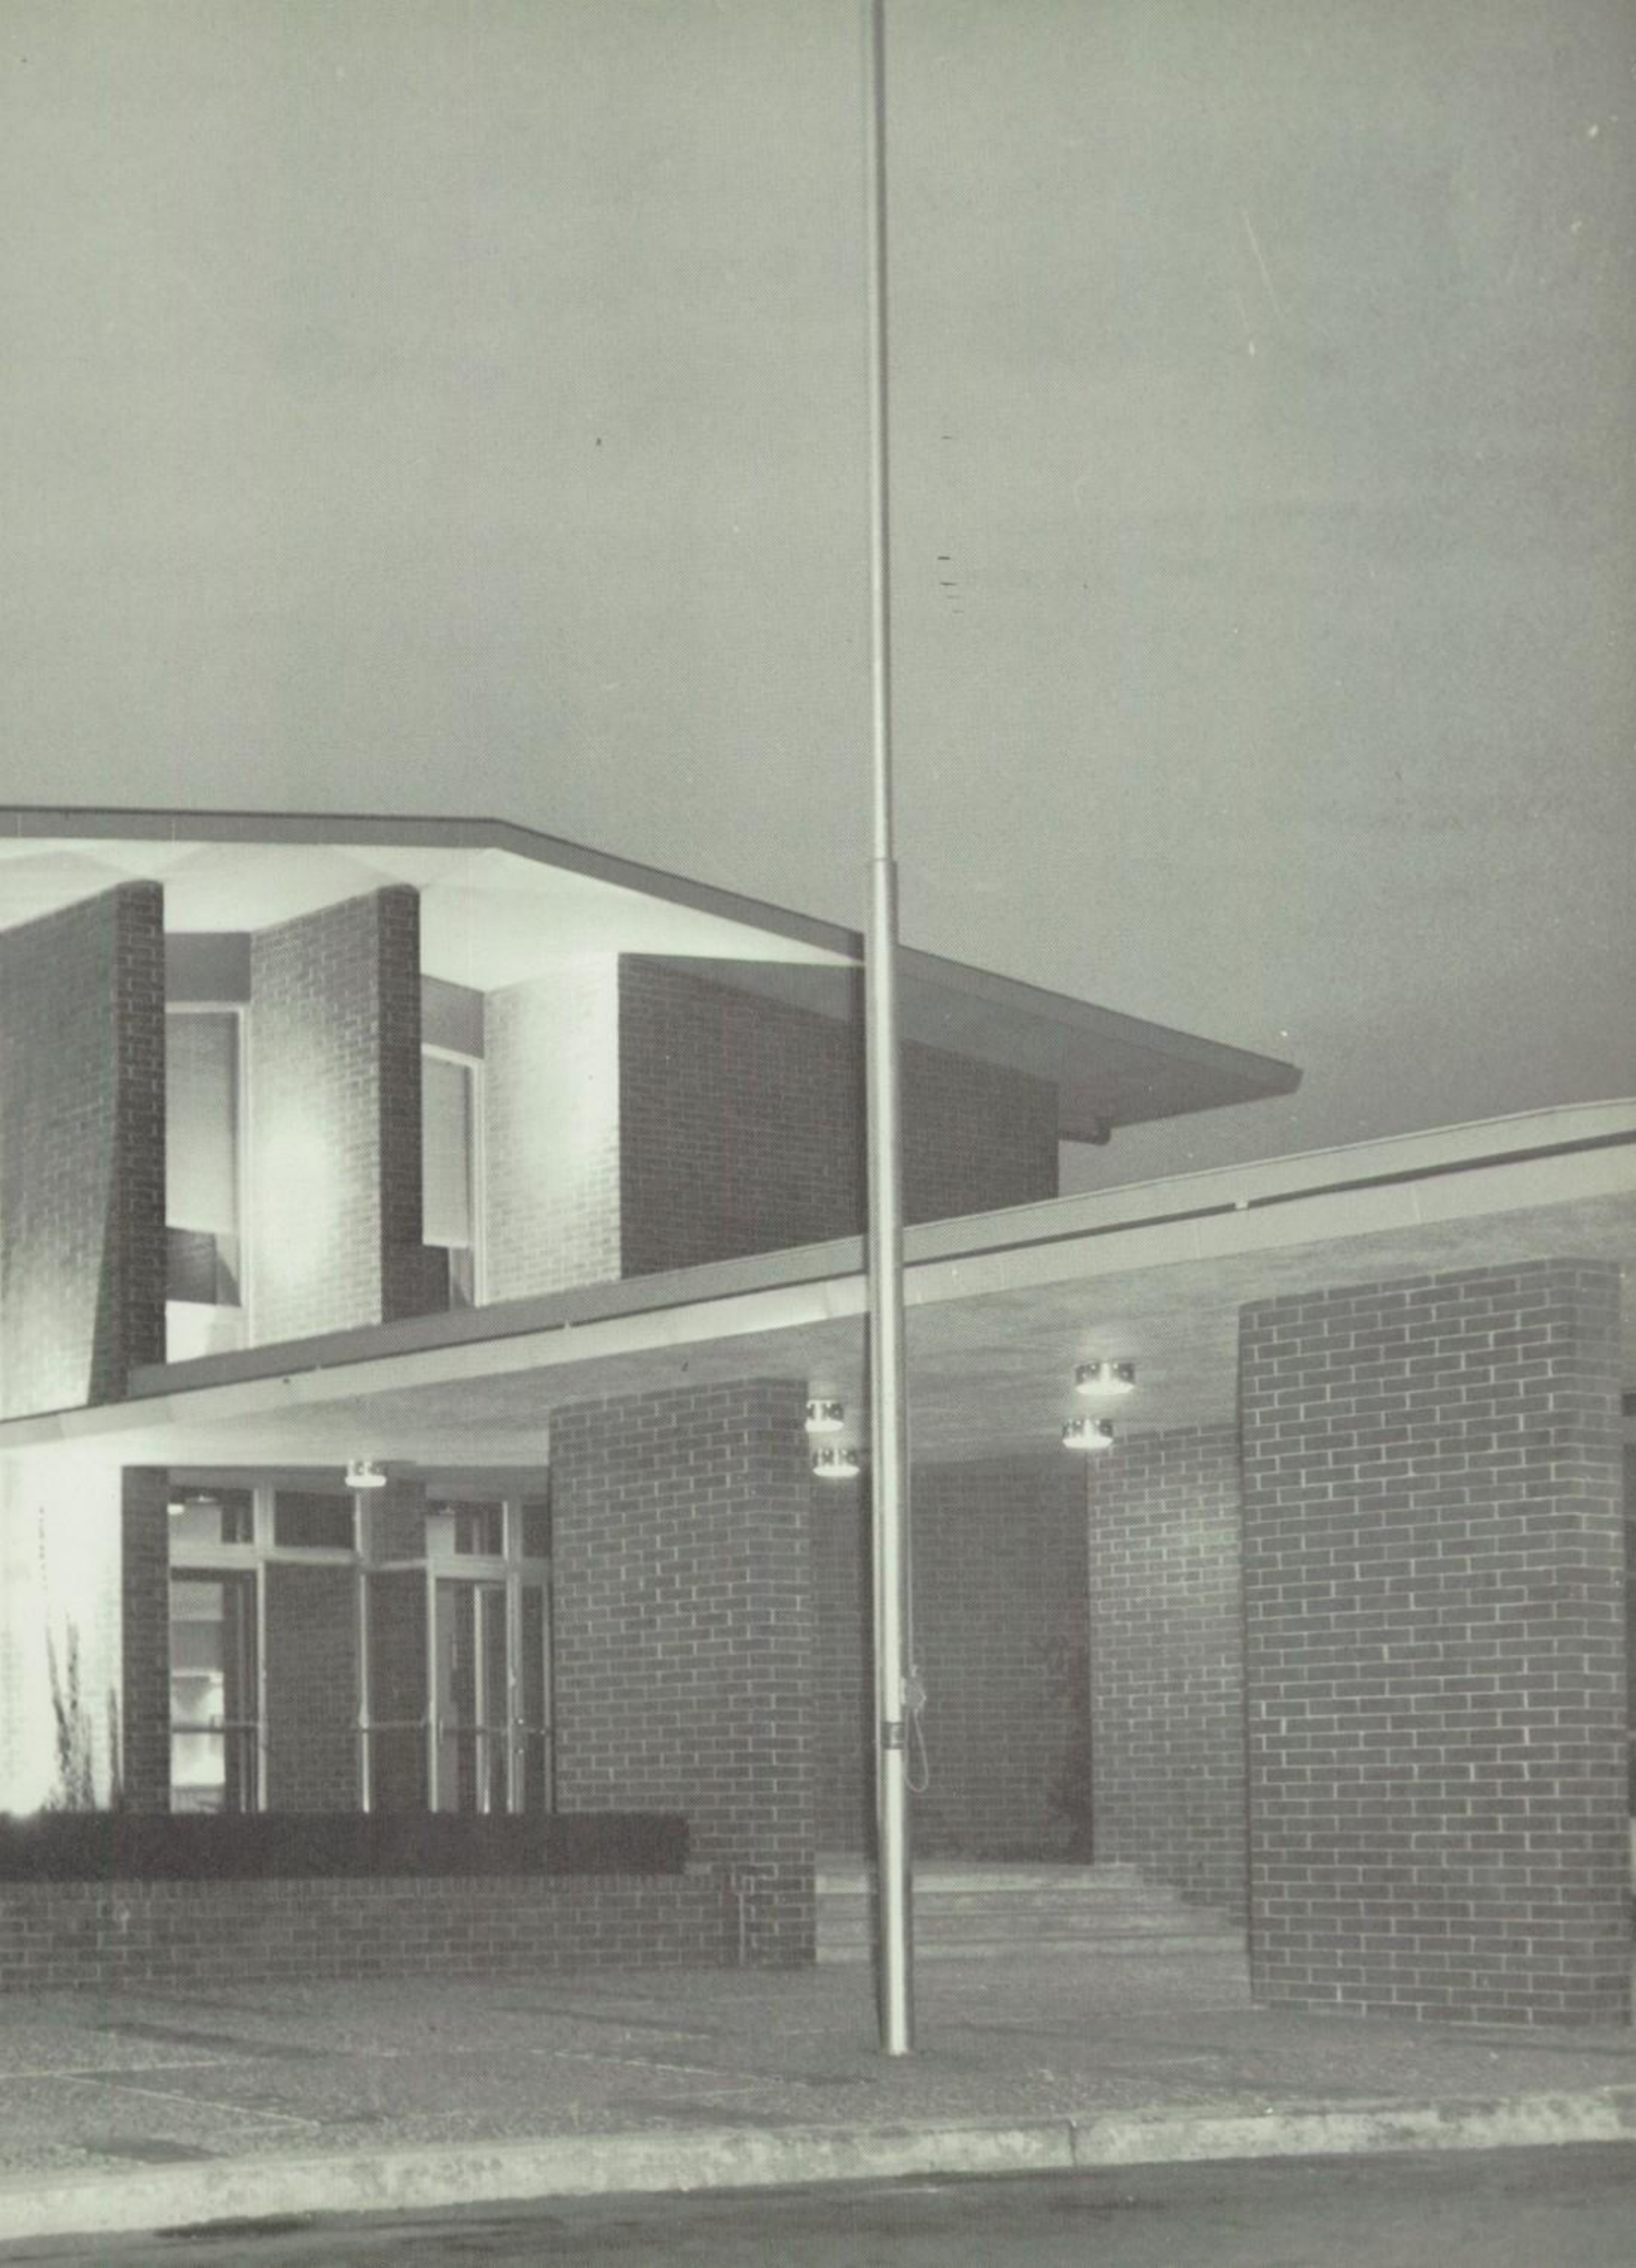

My love always,

Karen

Dr. Donald T. Bliss, Headmaster

BEST WISHES TO DR. BLISS

Donald Tiffany Bliss is a graduate of the Upper School and of Principia Junior College. He also attended the University of Chicago. His first position was teaching at Chicago Junior School in Elgin, Illinois. He comes from a cultural and literary background, for his grandfather was the publisher of the first edition of Samuel Clemens' (Mark Twain) works. Later, he attended Columbia University where over a period of several years he was awarded three degrees, the final one being Doctor of Education. During these years he was continuing his career as an educator at Daycroft School in Stamford, Connecticut, where he served as Headmaster for five years.

During World War II, Dr. Bliss applied for appointment to the Chaplains' Corps of the United States Army and was accepted as Christian Science Chaplain. He had many interesting experiences in this work, serving at various military camps in this country and in North Africa and Europe. He attained the rank of Major and is entitled to wear two battle stars on his campaign ribbons. In this experience, as in his later career, his great concern has been to serve the Cause of Christian Science in every possible way.

Dr. Bliss returned to Principia College in 1951 and was Professor of Sociology until he was invited to take over the position of Headmaster of the Upper School. We all know with what integrity, inspiration, and dedication he has filled this important post of leadership.

We shall long remember his keen sense of humor, his unfailing upholding of Principia's high standards and his complete devotion to the demands of the Headmaster's office. As he returns with Mrs. Bliss to Principia College for new administrative and teaching duties, our affection and best wishes go with them both.

VARSITY CLUB

The student body may take pride in the members of the Varsity Club this year because they have done a fine job in upholding the Principia athletic creed on both the practice and the playing fields. Principia has gained a great deal of respect from its athletic opponents through the efforts of the members who have been striving to maintain these high standards of athletics.

One member who is deserving of special recognition for his effort in supporting the club is "Hoppa." Allen Harper maintains the athletic bulletin board and he is consistent in giving acknowledgement to Principia's "Panther of the WEEK."

Each year the Varsity Club sponsors two Tournaments — an Invitational Wrestling and an Invitational Basketball Tournament, which were most successful this year. The Club members put in a good deal of hard work to make these tournaments the biggest money-making projects the club has ever had.

The Club climaxed its year's activity by showing its appreciation for the loyal backing that Prin athletics have received from the entire student body. To do this, they gave the Varsity Club Ball for the whole school.

SEATED: Sue Benjamin, Miss Julianne Oakes (sponsor), Karen Ingvaldstad. **STANDING:** Mona Frates, Kay Lenmark, Liz Neily.

G.A.A. BOARD

The G.A.A. Board co-operates with the Girls' Athletic Department and coaches to increase and promote interest in all sports. The Board elects a Sport Head for each of the seasonal sports: field hockey, basketball, volleyball, softball, tennis, and water ballet. The Board, comprised of five seniors, are elected by all the girls.

Throughout the year, the Board puts on a variety of programs for the girls: intramurals, steak fries, and publishes its own weekly newspaper, **Sports and Shorts**.

Their annual all-school activity, WINTER SPECTACULAR, held at the end of February, was a great success. The faculty joined in the fun of helping the Board by working in various booths such as: Laura's Limbo, Rusk's Rehr Rocket, Remington's Rifle Range, and Kessler's Kake Walk.

Each year ends with an Awards Ceremony and Banquet to give recognition to all girls who have participated actively in athletics during the year.

THE PRINCIPIA HYMN

Principia, we sing thy praise,
Home of our happy student days;
Here in the light of wisdom's ways
We strive and watch and wait.
And so all thro' the coming years,
In times of laughter or of tears,
Our love for thee shall quell all fears,
And never shall abate.
Here 'neath thy classic shades we find
The joys of learning, ties that bind,
A charity to all mankind
Shows us the truer life.
And by thy torch which burneth bright,
We're led into the glorious light,
Sustained by Love the only right,
We're free from worldly strife.
Then when to thee we bid adieu,
Departing hence to scenes anew,
Principia, may we be true,
Thy precepts let us keep.
So as the years do onward flow,
In character may each one grow,
And by his life to others show
That as he'll sow he'll reap.
